Scope

This policy applies to all provision for early years aged children, and also – where appropriate – to before and after school provision and walking bus provided by Duchy Pre-school and Playgroup for primary school aged children attending The Duchy School in Bowley Meadow.

Statement of Intent & Policy

The Duchy Pre-school and Playgroup actively promote inclusion through our constitution, policies, parent handbook and planning. To ensure we are inclusive in every aspect of the setting we aim:

- To enhance the development and education of children under statutory school age in a parent involving, community-based group, through well resourced play activities.
- To provide a safe, secure and stimulating environment, which is physically accessible to all children and adults and one which is adapted for individual needs as necessary
- To work in a way which ensures equality of opportunity for all children and their families
- To arrange the admission process so that the group is available to all
- To identify and assess any child with Special Educational Needs and promote inclusion at all times within the group
- To be committed to working with both statutory authorities and support services and agencies wherever necessary
- To make the setting accessible to children and parents
- To ensure staff training is continual and ongoing to ensure the highest quality of provision for the children and their families
- To ensure the children have access to a broad and balanced curriculum using the Early Years Foundation Stage Curriculum.
- To help children with the transition to school
